Oven Roasted Salmon with Dilled Hollandaise,  
Fresh Garden Salad, An array of Vegetables,  
And, of course...

Webb Hill's Famous Dessert Table!!

\$16.95++

Reservations, Please

## Shirley's Sugar Bowl

Dear Members,

The summer has gotten off to such an extremely hot start with no rain. July and August in Texas is always bad, but with no rain it is worse. Thankfully, we have a well to water the golf course. It has been running about two months now. It has to pump the water 1500 feet from below to water the course. Extremely costly! Please say a prayer for rain. Last summer was wonderful with green grass through September. Anyway, the staff would like to "Thank" everyone for the nice compliments about the golf course. We appreciate your comments! Congratulate Wade on his 1st year anniversary here at Webb Hill. We appreciate him so much.

Last month I failed to mention our members who received awards at the Wolfe City Chamber of Commerce banquet. James and Sharion Scott received the citizens of the year. Beverly Lowe was awarded the volunteer of the year. These members do so much for our community. Congratulate them when you see them.

Friday, August 26th, "Filet Mignon Night" continues to be a good night. The best thing we enjoy about the filet is all of the wonderful compliments. It's amazing how much better the filet is when you see just the one you want and a taste of salmon to go along with it. Call your reservations in early. You won't want to miss it!

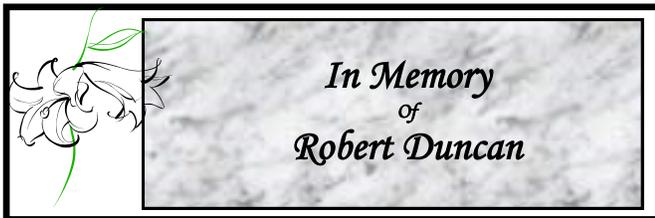

We need your support in August, so be sure and "come on out". Labor Day is just around the corner. Make your plans to come to our All American Buffet on Saturday, September 3rd.

Love,  
Charles & Shirley

My prayer for this month:

*"Beloved, if (our) hearts do not condemn us, we have confidence in God and receive from him whatever we ask, because we keep his commandments and do what pleases him."*

-John 3:21-22

## Superintendent's Notes

.....From Wade Toeplitz

It's officially been a year for me here at the hill and what a ride it has been. Although it can be stressful at times just like anyone else's career, I still love it here. Not sure if I can think of a better fit for me. My kids even love to come out and check on things with me too. Looks like I may even have another Superintendent in the family in the future.

The family and I just returned from a much needed vacation. I'm rested up and ready to dig back in. There's still lots of time to keep moving things in the right direction. Top priority at this point is lots of irrigation repair. We have a little older system than many other golf courses, and it's really starting to show it's age. On top of that we have to be very careful with how much water we use in case we continue to see serious drought. The water we have isn't the most desirable either. I know some have seen heads going during the day. I apologize for that, but it's necessary at this point. Not the best time, but nights get long when your out at midnight watering. Those are typically heads that don't work from the system or an area that requires a LOT of water.

I would like to welcome Trinten Turney to the crew. He was a former employee of mine, and I look forward to working with him again. Today was his first day, and we've already accomplished so much. He hit the ground running.

I know no one likes a tattle tail, but I wouldn't mind if the members and guest let us know of anyone damaging the carts while out playing. Or any damage to the course, for that matter. Carts have been a never ending battle for repairs for us. It's also never ending damage to the course from carts too. So feel free to let me or anyone else know if you see these things.

Thank you all. Happy golfing!

### Webb Hill Bridge Notes...

Three and under eat free!!  
Reservations, Please

Burgers, Hotdogs, Deli Sandwiches and more from the grill...

\*\*Newsletter's front page and calendar cover other dining specials.

## Webb Hill Happenings

It's hard to believe that we are already past the summer mid-point of this brutally hot summer, and school will be back in session soon. Where has the time gone?

Our Independence day holiday celebration was great! We had super attendance serving over 170 with my brother and dad's Barbecue and Alfonso's Fried Chicken; we got SO many compliments on both. The evening culminated with a beautiful firework display—thanks to Mark Walker's hard work. Thanks to all of you that made reservations and attended. We appreciate your support so much.

Wade and our hard working maintenance staff, continue to make strides through this challenging summer on the golf course. They have spent countless hours mowing, trimming and repairing. The irrigation system continues to be our number one nemesis. Hopefully, some planned improvements with the pump house and satellite stations will help in the future. Until then, thank you guys, for all of your hard work. You are appreciated!

The pool will be open through Labor Day, Monday, September 5th (and possibly later, depending upon how long this extreme heat continues). It has been busy all through the summer, and with the summer heat, the best place around to come and cool off! Thanks to Jenny Greene & Pat Reddell for leading the Hydrobics classes this summer.

Charles and Shirley are doing well after catching the latest COVID variant. Thankfully, being fully vaccinated, neither had severe symptoms and both are recovering well. Thanks to all of you who reached out with your prayers and concern for their speedy recovery.

Speaking of Charles... Please join me in wishing him a very happy birthday this month on August 5th! Mel, too, will celebrate a birthday this month on the 1st. We wish them both a very happy day.

We have several dining events scheduled for you this August. We'll be serving our ever popular Shrimp Peel on Saturday, August 13th followed by our delicious Filet Mignon and Roasted Salmon on Friday, August 26th, and we will be beginning September with our All-American dinner on the Saturday, September 3rd. We've also have scheduled three Sunday buffets along with our weekly Thursday luncheon buffets. Make your reservations today for one or all. We hope to see you here on the hill soon!  
-Scott

## Course Closings

Saturday, August 13th  
Lee Leonard Tournament. . . . .  
Course Closed TBD

Friday, September 9th  
Greenville Chamber of Commerce Tournament. . . . .  
Course Closed until 6:30 p.m.

**Check for other posted closings in the golf shop**

## Mel's Golf Shop News

I certainly hope everyone has found a way to survive this oppressive heat we've been dealing with of late. One word is critical during all of this...HYDRATION. Whether you're staying inside or having to get out in it, you've got to make certain you drink plenty of the proper liquids. If you wait until you're thirsty, it's too late; so start hydrating early.

We have been very busy at the club these last two months. We certainly appreciate everyone's participation in everything. We are here for you and your guests, so anything we can do to make your time at the club more enjoyable, feel free to let us all know. We will do everything we can to accommodate.

There's not a lot going on the golf side for August. You can still get out and do some of your golf activities, just space your time out properly and take care of yourself. We will be having one event on Saturday, August 13. We will be hosting the fourth annual Lee Leonard memorial Golf Tournament to benefit the Greenville high school golf program. Information on this event is available in the golf shop. It will be a pre-flighted two person scramble with cash payouts. As of this writing, we are still not certain whether it will be a morning or an afternoon shotgun start; so pay attention to the board in the golf shop and information posted on the front door. We will still be having our Wednesday evening scrambles up until about the middle of September. On Friday, September 9, we will be hosting the annual Greenville Chamber of Commerce annual golf tournament fundraiser. This is always a big event. We will be having a 7:30 AM and 1:00 PM shotgun start; so our golf course and range facility will be closed for the day. Be sure and mark this down on your calendar.

We are happy to report that both Charles and Shirley are doing well after having had a recent bout with Covid. They are still a little worn out from it, but are doing well. Please keep them both in your prayers and wishing them full recovery. Always keep your loved ones and friends in your thoughts, as a lot of families have been going through some tough times in this crazy world.

The pool will be open through Labor Day weekend. It's been a good summer for use of the pool, and I would like to personally thank our golf course maintenance crew for not only keeping our golf course in the best shape it's been in in quite some time, but for maintaining the pool as well. There are so many things that go on behind the scenes at the club that nobody ever really sees, and we appreciate everyone's hard work. It has been a great summer season at the club, and seeing everyone enjoying their time here makes it worthwhile. We look forward to the continued relationship we have with you our Webb Hill family.

Be sure and always pay attention to the calendar and the newsletter, as well as the board in the golf shop. We look forward to seeing everyone at the club. Let's remember to be sure and support all the youngsters in their upcoming activities through the schools that will be starting very soon.

## COUPLES GOLF SCRAMBLE
