\$17.95++

Shirley's Sugar Bowl

Dear Members,

Fall is finally in the air. We are so ready for cooler days. Let us hope we will have a beautiful month of Thanksgiving. We all have much to be thankful for, and we thank God everyday for our blessings and you, our members, who we appreciate so much.

Please come to our Thanksgiving Buffet on Thursday, November 24th. We will be serving turkey and homemade cornbread dressing, Merlot glazed ham, carved roast beef and fried catfish. Make your reservations early and let us know how many will be in your party and what time you will arrive. Three sittings are available. This holiday always fills up early.

On Friday, November 18th, we will have our famous Filet Mignon Steak Night with our delicious roasted salmon. This is always a favorite with our members. Try to come to it if you can.

Our Birthday celebrants this month were Millo Owens, Don Coppinger, Troy Horst and Ruth Tandy. Wishing you many more years of happiness!

A big thank you to Mike Lewis and his daughter Tara for all of the fresh vegetables they bring us from their farm in celeste.

Please keep the carts on the cart path as much as possible and avoid the fairways so we can have good turf to play on during the winter. Also, repair you divots!

The trees are turning colors and pumpkin bread is in the air. That means Thanksgiving is coming soon. We love this time of the year for all of our members and working with an awesome country club. We have lots to be thankful for; May your family be blessed this holiday season

Love,
Charles & Shirley

My prayer for this month:

"Lord, thank you for your unconditional love of me right now." 1 John 4:16

"The Lord is my light and my salvation, whom shall I fear?" Psalm 27:1

Welcome to our New Members!

Michael & Lela Hurst
Jim & Anne Marie Ward
Marcus & Amy Compton
David & Peggy Rogers
John & Diana Chevalier
Kyle Moore
Jackson Meyer
Kyle & Morgen Petersen

From Your Course Superintendent...

Wade Toepfritz

The 20th of October and we have already had a frost delay! Way too early for this. Hopefully this is not a sign of the winter we are going to have, but who knows? These things happen then the next day we are back in shorts. Talk about playing with your emotions. Texas weather has got to be the most out of control weather.

We were fortunate enough to finally receive some good rain this month. Nothing close to what we really need, but it helped. It couldn't have come at better time since the irrigation pump had another major breakdown. Just like any other industry, parts and materials are hard to come by. As of today, we have been without water for 2 weeks and still have another week till we can get it running again. It's been tough but the course is holding up well. We've done everything we can just to keep moisture on the greens. In all honesty we have no way to really irrigate when these things happen. The focus at this time is really only on the greens.

As soon as irrigation is up and running, we will start our pre-emerge application for winter weeds. Hopefully we can control the poa on the greens better than last year. The greens are healthier going into winter than last year, meaning we can be a bit more aggressive than last year. I'm confident that this winter we will be able to stay on top of that issue. I know that it is unsightly and not a fair roll.

This month we would like to welcome back Charles Hall. Charles is no stranger to Webb Hill. He recently retired from Ennis Tag and Label after over 40 years. Throughout that time, he worked here at the Hill doing just about anything. I'm looking forward to getting to work with Charles again, and I know he's a great fit.

Until we meet again! Thank you to all the great members and guests. Happy golfing!

Reservations, Please

Burgers, Hotdogs, Deli Sandwiches and more from the grill...

Watch the newsletter for the grill's opening and expanded menu

**Newsletter's front page and calendar cover other dining specials.

Webb Hill Happenings

Fall is definitely in the air here on the hill! October was a beautiful month with near perfect weather to enjoy your club. We are still very dry, but I'm optimistic that Mother Nature will be kind to us and give us a beautiful month of Thanksgiving.

With October's beautiful weather, the grass has continued to grow at a pretty good pace. The staff continues to work diligently on mowing, irrigation repair, and now tree trimming. If you haven't been out lately, please come visit. You will be impressed.

We did suffer a major repair expense with our pumping station in October. The electronic panel went out; we have been unable to water for the last 14 days. Thankfully, we did receive well over an inch of rain on October 16th with more predicted this coming week. The pump station repair will be at a cost of \$7247. It's an expensive repair but one that is necessary.

Another area of improvement in October was with the pool. We were able to find a tarp to cover it through the winter. This should make the clean up much easier come spring. I think it also looks so much nicer from the dining room to see it covered.

With more frost likely this month, we will be shifting attention to leaf drop as well as cleaning the roughs. Wade also has plans to do a lot of tree trimming and dead tree removal.

October's events were well attended! Thank you to all who participated. We appreciate your support so much. It is so good to see more and more of you using your membership as this COVID mess slowly subsides.

The holiday season is upon us. Time does march on, doesn't it? We have several events for you in November: Filet Mignon Night on Friday the 18th, and the "biggie", Thanksgiving, on the 24th. Don't forget to make your reservations early! We will have three sittings for Thanksgiving: 11:00, 12:30 and 2:00. As this is going to press, there is still availability at all three, but I'm sure they will fill up quickly.

We all have much to be thankful for this month. I know that I'll be counting my blessings. Take care, and come see us on the hill. -Scott

Congratulations to Robert Moreland on his recent hole-in-one. On Friday, October 7th, he used his 6 iron on hole #11 to make the 165 yard ace. Witnesses were Phil Milford and Scott Milford.

Webb Hill Bridge Notes...

Webb Hill's Bridge Club will meet on **Thursday, November 3rd**. They will begin play at 9:30 a.m. Call the clubhouse at 903-496-7500 for additional information.

Mel's Golf Shop News

How is everyone doing as 2022 starts to wind down and head into what is starting out to be a very comfortable fall. We are experiencing near perfect weather for getting out to the club and hitting balls or playing a few holes. For the last time ever, we will fall back one hour on Sunday morning November 6th. Then on March 12th, we will spring forward one hour and never have to adjust the clocks again.

As of this writing, we are planning to finish our club championship on Saturday, November 12th with tee times beginning at 10:00. Our second round was rained out (and thank God for the rain!), so the first round scores will be used. You must have played in the first round to participate in the second round. Please sign up in the golf shop. Speaking of rounds of golf; I would like to thank Wade and all of the crew for the hard work they have put in this past year. Our number of rounds has grown to a large number. It is so great to have players come in just to make a comment as to how great the course is and what a pleasure it is to play. We have always had such a great layout and now have the course condition to go with the layout. If your out and see some workers, let them know how you feel about all the hard work they have put into it.

Pay attention for freeze and frost delays on those cold days. We cannot let anyone out on the course with frost on the ground. Our shop hours when this newsletter comes out will be weekdays 8:00 a.m. until 5:30 or 6:00. Weekends and holidays we will be opening at 7:30. All of this is weather permitting.

2022 Webb Hill Men's Club Championship
