- ◆ Complimentary Hors d'oeuvres
- ◆ Live DJ by Serena McHenry
- ◆ Cash Bar Available
- ◆ Reservations Appreciated but not Required

Webb Hill Happenings

2025 is off to a great start here on the hill! We are optimistic that the coming year is going to be filled with great golfing, delicious food, and fun activities.

As I'm writing this, we are experiencing our second arctic blast of the new year. I'm so thankful we have the new green covers! We've used them for both of these events. Their protection makes it easier to sleep at night. After Wade did a temperature check under them on some low 20 degree mornings, I'm beyond happy with their performance. Thank you ALL who helped with this purchase via the tournament and donations. You are the best! I'm hopeful that Mother Nature will be kind to us through the next two months.

We will be starting our monthly greens meetings regarding activities and events for the 2025 golfing season in February. Please mark your calendar for **Thursday, February 6th at 6:30 p.m. in the 19th hole.** All members are invited to participate. We would love for you to attend.

We ended 2024 on a fairly good note considering everything that we endured. Although our membership was down, just a bit, as of December 31st. I'm very optimistic of the coming season ahead. Please invite your friends to join and come be a part of Webb Hill! Whether it be a social membership or golfing, we would love to welcome them to the family.

We also have some exciting tournaments planned and pending for the 2025 season. I'm also pleased that Max is working on several junior golfing clinics and events. Stay tuned! I plan to have a tournament schedule ready for the March newsletter. I'm really looking forward to the season ahead.

We are going to try several new events for you to enjoy starting in February. On February 22nd, we will be hosting our first quarterly Webb Hill Member Social. It's open to all of our WHCC members and their guests. We will be serving complimentary heavy Hors d'oeuvres, mocktails, and have a live DJ, Serena McHenry, spinning your favorite tunes. (Our full bar will be available for charge, as well.) We want to encourage you to come mingle and meet and make new friends here on the hill.

We are also going to start on Saturday, March 1st, a monthly breakfast buffet in the main dining room from 8 a.m. until 10:30 a.m. (It will be the first Saturday of each month.) We'll be serving all your traditional favorites plus a few specials, as well. I'm excited to offer this monthly buffet!

In addition to these planned events, please join us for our first Shrimp Peel and Fish Fry of the year on Saturday, February 1st. We are also planning a beautiful Valentine's Banquet for you and your Valentine on Friday the 14th. Come enjoy a glass of complimentary Champagne and our fantastic buffet. Make plans to attend and let us know! We'll have a table ready for you.

Our Sunday and Thursday buffets are always well attended. We're working hard to bring you the best food and service around. We'd love to see you here!

Please keep our Webb Hill family and friends who are ill in your thoughts and Prayers, as well as those who have lost loved ones. May God bring you health, peace, and blessings in the days to come.

-Scott

Superintendent's Notes

....From Wade Toeplitz

Brrr! It's been a very cold January so far. Thankfully it's almost over, and we have only one more month of this to endure. February is always a contender for some serious winter storm. I feel like I've barely seen any golfers these last few weeks. Come on Spring, so we can get some play going again.

I can say that this has been an easier winter for me than the last three I've been here. With the addition of the greens covers it really sets our minds at ease. We have installed covers twice so far this month and we get better each time. The crew and volunteers really do a great job. It may even be kind of fun. I appreciate them giving up a Saturday afternoon and some of their evening to come out and help. A special thank you to Matt and Jamison Webb as well as Neil White for coming out to help. Many have asked how they are working. I would say great. Outside temps were 20 this week in the mornings and the greens soil temperature averaged 35/36 degrees. That's pretty amazing.

Lots of work has been going on in the shop. Oil, air and fuel filters changed on almost everything. Carts are being repaired as needed, and we were donated several tires for them. The greens mowers reels are getting some serious work done for the upcoming season. Brand new reels are going to help us get our greens to the desired height of cut we wanted last season. They were just too worn to achieve that. Trinten and Thomas have done a great job learning how to really dial these in. Fresh new reels should make for a great putting surface. Of course, we will still have to keep on our other cultural practices to achieve that. Lots of dethatching and aerifications this season. If we plan on pulling cores we will notify in advance.

There are still several things on my list to accomplish outside this winter but it truly has just been too cold or windy. Those don't mix with several projects, but we will have it looking great this spring. It already is in comparison to last year at this time; it looks so much better and healthy.

Reminder that members meetings will be starting soon, and we will be closing the course every Tuesday for maintenance. This will be a tremendous help to us. As usual, thank you all! Stay safe and warm.

Course Closings

Monday, March 17th	
High School Tournament.	Course Closed until 3:00
Monday, March 24th	
District Golf Tournament.	Course Closed until 3:00
Monday, April 7th	
District Golf Tournament.	Course Closed until 3:00

Additional information posted in golf shop

Golf Shop News

What a January we had! The freezing temperatures caused us to close the course and cover the greens, twice. Thanks to Wade, his crew and the volunteers for getting them covered and uncovered each time. This was no easy task, especially with the wind! We know this was an inconvenience to you, our members, but hope you understand the need to protect our greens. We appreciate all of you. Hopefully, February will be more forgiving with the temperatures.

February brings out the high school golfers to prepare for their District golf meets. We have many area schools that utilize our facility. If you happen to see any of them practicing, give them a word of encouragement, as they are the future of golf. Please watch the whiteboard in the pro shop for upcoming course closures due to tournaments.

The Thursday sixty plus group tees off at 12:30 p.m. If you'd like to join them, call the pro shop at 903-496-2221 with any questions or to be added to the group for the week. They'd love to have you.

The Greens Committee will meet on Thursday, February 6, at 6:30 p.m. Every member is welcome to attend. We value your input.

Please remember that **no outside alcohol**, of any kind, is permitted on the course. You and the club can both be fined, as we are licensed by TABC to sell beer, wine and liquor.

If there's anything you'd like to see us carry in the pro shop, please let me know, and I'll do my best to get it.

-Sandra

A note from

Max Langston, PGA

My typical Webb Hill game... you have 4 holes to get comfortable... Play #5 then you realize that you don't have enough barley soda pop. Call the pro shop and restock your swing fluid, and resume play.

March 10th-14th (spring break), we will be holding a mini junior camp from 9am-11am. Call for more info & pricing.

We are also planning a Member Guest Tournament (2 man scramble), April 26th-27th, live band, dinner, prizes: \$500 (1st) , \$250 (2nd) and \$100 (3rd). Cost: \$300 per team. More events coming this year!

Our first Greens Committee meeting of 2025 will be on Thursday, February 6th at 6:30. We encourage your participation. We'll be discussing upcoming events and ideas as well as an overview from Wade regarding plans and needs for the golf course for this upcoming season. We hope you will join us!

Handicaps....Don't Forget...

Golf handicaps will be billed in February for \$30. This is what the Texas Golf Association charges Webb Hill. If you are on this list and need to be taken off, please contact the golf shop. If you are not on the list and wish to be added, let us know. This service provides you with updated handicaps every three weeks and gives you the opportunity to go online to check your handicap (with up to the date handicap) anytime you wish. You may also bring in any scorecards from any other course to be posted. Notify the golf shop of any changes that need to be made.
