Webb Hill Happenings

What a fantastic summer we are having here on the hill. So far, knock on wood, we've not had a single 100 degree day! Of course August IS upon us... It's hard to believe we are over halfway through the year and school will be back in session soon.

We had a wonderful Independence Day Celebration. Alfonso's Fried Chicken and my Dad's barbecue were both big hits! We had a great crowd serving over 220 guests. The evening culminated with a beautiful firework show put on by our own Mark Walker with help from Arturo, Fernando and Ignacio. They did a fantastic job. Thank you all who came and celebrated with us.

We continue to get such positive feed back on the shape of the course. I truly do believe this is the best it has ever been. I know Charles and Shirley would be so pleased to see everyone enjoying the course and facilities. I'm so grateful to our entire staff for making it all happen for the enjoyment of you, our members, and guests.

Wade and his staff have worked tirelessly to get the greens and course to this point. We are blessed to have such a dedicated maintenance team here on the hill. They continue to tackle irrigation issues, patching washed areas around cart paths, along with daily mowing. Thank you guys; your hard work has paid off and is so appreciated!

As I'm writing this, we are waiting for another equipment delivery. Wade has ordered another (used) Greens mower at a cost of \$26K. We are still waiting for the new AC project to be completed in the golf shop. There's also other areas that need attention such as the parking lot and cart paths. There's always something... I'm grateful, though, for your support so that we are able to slowly replace and repair the areas in need.

Congratulations to the winners of the Red, White and Blue Golf Classic that was held on July 5th! First place went to Phil Milford and his team: Greg Allen, Jimmy Young, & Buck Buchanan. Second place went to Andy McAngus and his team: Tyler Deary, Steve McCarter & Cody Malone. Congratulations to you all!

The pool will be open through Labor Day, Monday, September 1st (and possibly later, depending upon the heat). It's been busy all through the summer, and with the summer heat, the best place around to come and cool off! Thanks to Jenny Greene & Pat Reddell for leading the Hydrobics classes this summer. Special thanks to Mark and Wade, as well, for the excellent job they have done maintaining the pool.

We have several dining and social events scheduled for you this August. Don't forget our Breakfast Buffet on the first Saturday of the month (August 2nd) starting at 8 a.m. We'll be serving our ever popular Shrimp Peel and Fish Fry on Saturday, August 16th. Then, we will be having our Quarterly Social on the 23rd with Serena McHenry as our DJ, and we will be ending the month with our All-American dinner on Saturday, August 30th...kicking off Labor Day weekend. Make your reservations today for one or all. We hope to see you here on the hill soon!

Superintendent's Notes

.....From Wade Toeplitz

Busy is the word for us lately. The last few weeks have been filled with all sorts of events and tournaments. The fireworks show was great as usual and the meal was fantastic. I'm super happy with how these tournaments have gone. Some even turned out better than expected. Now we brace ourselves for the heat that is for sure to come and take a break from tournaments until September.

I recently got back from vacation and my daughter's wedding in Colorado. We stayed in a condo on a golf course resort. While the weather was wonderful and the course was beautiful, there's just no place like home and Webb Hill. To leave the course in the middle of July can certainly be a bit scary, but I had 100% faith in the crew to take care of things while I was gone. I came back to see the greenest I've ever seen Webb Hill in July. Thank you so much to the crew and Trinten for watching over things. We wouldn't be where we are without these guys.

Things are going very well right now. We've continued to make some big pushes on smoothing out the washed areas in the fairways and plan to have those complete soon. Hopefully the grass will continue to spread in those areas. 13 is finally good enough to pull the ropes for a bit. With the lack of sunlight in the morning and afternoon, I'm sure we will have to re-install at some point. Then we will move on to washes along the path.

I'm sure I've mentioned it before but if you haven't been to the pool please come out. With the heat on the way it's sure going to be nice to take a dip. Thanks to Andy McAngus, we have some nice umbrellas for the extra shade.

Thank you all again for the support and hope to see you soon!

News From Around the Club

The course is in the best shape we've seen in years and play is evidence of that. Tee times are a necessity on weekends and very helpful during the week. Please remember that foursomes are the largest groups we can allow on Friday, Saturday & Sunday due to the amount of play that we have. We ask everyone to please adhere to the 90' rule at all times. This will aid in keeping the course in the great shape it is in.

There are two more new faces in the pro shop. If you have not yet met Stella Stringer and Caden Brown, be sure to introduce yourself to them when you see them. We are thrilled to have them working with us.

We have transitioned from cans to 20oz bottles of soda in the pro shop. Hopefully having the bottles with lids will help to alleviate some of the sticky residue that would get left in the carts from soda splashing out of the cans.

Merchandise is getting re-stocked as fast as we can make it happen. We appreciate your understanding when we run short on some items.

Remember, the golf course is now CLOSED the first & last Tuesday of each month for scheduled course maintenance.

-Sandra
